Mayor, Councillors Installed in Office

Organizational meeting of the Drayton Valley Town Council was held in the Council Chambers on Monday, October 19th and newly-elected members administered the oath of office and declared inducted.

Naming of Deputy-Mayor was the next item on the agenda and on the recommendation of Mayor MacLean, Council agreed that each member serve for a two-month term to fill the year before the next election.

R.B. Smith will serve as Deputy Mayor from October 20th to December 19th, followed in turn by Councillor Marvin Helm, Bob Huber, Betty Waugh, Bob Mayhew and Claude Albert.

Chairmen of standing committees were named by the mayor as follows:

Finance and Personnel: R.B. Smith; Development and Publicity, Robert Mayhew; Public Work and Utilities, Robert Huber; Public Welfare and Health, Mrs. Betty Waugh; Recreation and Community Service, Claude Albert; and Protection to Persons and Property and Liason, Marvin Helm.

The Liason Committee headed by Councillor Helm is newly-created to fill the need for a line of communication between Town Council and other boards and councils including County, School Committee, Hospital District and inspection services of the town.

The council also agreed to the appointment of Secretary-Treasurer, Bill Johanneson as Public Welfare Officer for the town.

Regular meeting dates were also decided and will be held on the second and fourth Thursday of each month at 1:30 p.m.

Only other business of the meeting was the decision to send a telegram to Prime Minister Trudeau supporting the government's action in invoking the War Measures Act to cope with the unfortunate situation faced by the nation in recent weeks.

Early Storm Clobbers Area

Drayton Valley and area residents awoke to a preview of winter Monday morning with about a foot of wet snow and gusty winds.

Many left their cars at home and walked to work -- others wished they had when they found themselves bogged down in heavy drifts. In some places as many as five or six cars or trucks were stalled in the drifts.

Reports indicate that the snowfall was heavier to the east, and considerably lighter travelling west. Highway conditions were hazardous throughout the area.

The heavy snowfall cancelled school buses and closed schools throughout the county. Schools are closed, and road conditions still hazardous as we close forms on Tuesday.

Elks' Ruler to Visit District

Word has been received that Mr. Art Van, the Grand Exalted Ruler of the Benevolent and Protective Order of Elks of Canada will be visiting in the local Elks District early in November.

Present plans call for him to visit, the Jasper Lodge on Monday, November 9th, and the Gainford Lodge the following evening. These two Lodges are in the same district as that in Drayton Valley and it is anticipated that many of the members of the Elks and O.O.R.P. Lodges will be travelling to Gainford for the occasion.

It is pointed out that this is the first time that the Gainford Lodge has been favoured with a visit from the top man in the organization and the local District Deputy Grand Exalted Ruler has urged the support of all Lodges in the district.

Mr. Van is a member of the Burnaby B.C. Lodge and was elected to his present office at the Elks Dominion Convention at Vancouver in July of this year.

WEEKLY NEWS

Sasquatch Proof Imminent?

SMITHERS, B.C. -- In a news story last week the Smithers Interior News says proof of the existence of a North American Sasquatch -- probably in the form of a live captured specimen -- is imminent. This is the belief of dedicated Sasquatch searchers, some of whom are finally getting financial backing for "bring-em-back-alive" expeditions.

A noted Sasquatch searcher Rene Dahinden of Lumby, B.C. believes about 250 Sasquatch live in B.C. The Big Horn Dam Sasquatch reported last August has whetted Mr. Dahinden's interest. He believes a capture might be easier in the Big Horn area which is less densely forested than the area of B.C. sightings.

He reports that Indians in the Kooteney Plains say that there is at least one family of four Sasquatches living in the area.

EDMONTON -- Alberta Agriculture Minister H. A. Ruste has announced that 17 carloads of livestock have been selected to represent the province in competitions at the 1970 Royal Winter Fair to be held at Toronto November 13 - 21st. The Alberta consignment will start at Calgary November 4th, travel to Edmonton and leave the following day via Canadian National Railways for Toronto.

The shipment consists of six carloads of registered beef cattle, two carloads of Charolais steers, one carload each of Hereford, Shorthorn, Angus and crossbred steers, one carload of dairy cattle, one carload of registered swine, one carload of market hogs, a carload of heavy horses and a carload of sheep.

Agrobeef Sale Big Success

BASSANO -- The Bassano Times reports that literally thousands of people attended the First XL-Agrobeef Field Day on Sunday and the subsequent New Breeds Sale on Monday. They came by car, bus, truck and aeroplane, all with the purpose of learning about the new cross-bred cattle on display and for many to take the opportunity to buy them to supplement their own herds.

An estimated 1500 buyers and cattlemen were present on Monday to take in the XL-Agrobreed sale when 449 head of cross-bred cattle were offered.

David McNally of Erskin paid the top price of \$2,500. for a bred yearling Registered Angus heifer, sold by LK Ranches. The top Limousin-Red Angus heifer calf brought \$1,875, purchased by Buddy Martin of Frankston, Texas, from LK Ranches.

The overall sale price attained was \$223,000. Cattle from the sale went to Ontario, Manitoba, Saskatchewan, Alberta, British Columbia, Washington, Oregon, California, Texas, Kansas, Nebraska and Wisconsin.

brought the Council up to-date on activities relating to the proposed airport north of town. He reviewed the proposal from its first feelers last winter through the many meetings during the summer that terminated in optioning of land and making application to the Department of Transport.

Following Mr. Vanstone's review, Council approved supplying the Department of Transport with an indication of intent by the town to provide the land free from significant encumbrances for an airport site subject to the approval of town ratepayers.

During airport discussion council members appeared unanimous in a desire to have ratepayers informed on the matter before proceeding further and for this purpose council was told a public meeting is to be held on Thursday, November 5th in the St. Anthony's School.

Members of the council also indicated that it would be advantageous, if possible, to obtain the economic feasibility study carried out by Treasury Board of Canada economists on the proposed airport. It was also felt important to obtain further information from other similar airports, including Dawson Creek.

A request from Chapman Electric for a reduction in 1970 business license fee was refused by Council on the grounds that the present fee is in accordance with the Licensing Bylaw.

Council authorized the amending of the Dog Control Bylaw No. 233 to provide for voluntary payment of fines for contravention of the bylaw rather than the necessity of appearing in court.

Tomahawk 4-H Beef Club Holds Wind-up Banquet

Presentation of awards and trophies to members of the Tomahawk 4-H Beef Club took place at the club's annual banquet in the Tomahawk Hall on Friday, October 23rd.

A large crowd was present for the evening's activities. Introduced by 4-H'er Gordon Reich, Gordon introduced guests, members and committee members followed by a review of the year's activities by Frank Gruber.

Guest speaker was Mr. Dunn, manager of the Crippled Children's Camp at Lake Isle. He extended his thanks to 4-H members who have made many contributions to Camp He-Ho-Ha.

The major contribution by 4-H clubs and one very much enjoyed by the children he said, was the miniature farm that gives city children the opportunity to pet and play with young animals. 4-H members have also provided boats, as well as providing work and painting parties at the camp.

Bob Enjeneski, one of four members of the Tomahawk Club who went on a 4-H exchange trip to Wisconsin, described the visit. Members of Wisconsin clubs, a year earlier, had visited in Parkland, Sturgeon and Strathcona Counties.

Presentation of awards followed with Joan Schiedeman as M.C. Awards were presented as follows:

Grand Champion Calf, Royal Bank trophy presented by Mr. John Hanson to Kathy Goertz.

Reserve Champion Calf, Cornie Ranch trophy presented by Mr. Lantz to Linda Peskunowicz.

Showmanship, Double S. Poll-

ed Hereford trophy presented by Mr. Cross to Linda Peskunowicz.

Record Keeping, Tomahawk Hotel trophy presented by Mr. Flynn to Cheryl Ditchuk.

Best Steer by 1st year member, Jouan Electric trophy presented by Mr. Jouan to Pauline Dunbar.

Best Rate of Gain, West Alta Breeders Association trophy presented by Mr. Norman Johnson to Rodney Jouan.

Efficiency award was presented by Mr. Dan Schadeck to Cheryl Ditchuk.

Following the presentation of awards, Gordon Reich made a presentation on behalf of members to Club Leader Dave Case. Cheryl Ditchuk extended thanks to donors, the mothers for supper and all the others who assisted in making the evening a success. Mrs. Goertz replied on behalf of the parents.

Mr. Case reviewed the year's work by the 23 club members and noted that all had worked hard, and, he said, he regretted there weren't more trophies as several other members also deserved recognition.

Attendance during the year was 93 percent, he said. Eight members had 100 per cent attendance and eight missed only one meeting.

Mr. Case was enthusiastic about the public speaking program undertaken by the club. All are benefitting, he said, and two members, Kathy Goertz and Linda Peskunowicz represented the club in regional finals.

Five clubs took part in a judging competition last spring with Kathy Goertz placing 1st and

Pauline Dunbar, 2nd.

At the annual achievement day in July, with four clubs competing, the Tomahawk Club again made a very good showing.

Kathy Goertz won the Grand Championship and Linda Peskunowicz won the top showmanship award.

Friday's banquet brought the year's work to a close and the re-organization meeting was scheduled for Tuesday, October 27th. Mr. Case invited all interested to attend.

UNIFARM WEEK, NOV. 1-7

is a good time to start because it focuses attention on year-round activities of the organization.

YOU NEED REPRESENTATION—

UNIFARM is recognized by government and industry as the "common sense" voice of Alberta farmers. The organization will continue to seek just legislation to protect your interests.

YOU NEED INFORMATION—

Unifarm believes that farmers must be fully informed on all vital issues. For that reason, the organization has launched a major information program to deal with matters such as the Federal Task Force on Agriculture Report, and is now in the process of initiating similar programs to deal with crop insurance, taxation, the power-at-cost issue, operation of the Canadian Wheat Board, etc.

YOU NEED SERVICE—

Unifarm helps farmers solve day-to-day problems with farm machinery, surface rights, and a wide variety of more personal matters.

YOU CAN ENJOY SAVINGS—

Unifarm members operate their own Auto and Fire Insurance Pools and have saved as much as 9% annually on the cost of this essential input.

Rural Electrification Association members are enjoying savings of \$400,000 per year in electric power costs due to successful intervention by Unifarm and the Union of REA's in the matter of an application by a power company to raise rates for power distributed to its farm customers.

Report From Parliament Hill

By Allen Sulatycky, M.P.

The ordinary and day-to-day business of Parliament took second place to more critical and dramatic events which were occurring at the same time in Montreal so far as the Nation's news-media were concerned last week. Within Parliament the week was spent on the Debate on the Speech from the Throne.

I took the opportunity to speak during the first day of the debate, to bring to the attention of the House of Commons some of the problems faced by towns and villages in maintaining a solid rate of growth.

The cities get much attention in Parliament as elsewhere, but less consideration is given to smaller communities which are struggling to grow or to survive. While the problems of the cities must be dealt with, and soon solved, we must not ignore the importance of communities which have not yet reached city status, and those which may never do so.

One of the announcements contained in the Speech from the Throne was that a new Department of Urban Affairs and Housing would be established. This is a new approach for the Federal Government as it means that is will become involved in a field which the Canadian constitution leaves strictly to the provinces. However, the demand for Federal action has been so great that the provinces are likely to welcome the entry of the national government into urban matters.

My concern, as expressed in the House of Commons, is that in paying more attention to the cities, we do not further handicap the towns and villages which have to compete with cities for such things as financing for housing, municipal services and business expansion, industrial development and labour.

At the present rate of growth, within ten years, more than four out of every five Canadians will be living in the twenty-nine largest cities in Canada. I do not believe that this should happen, nor that it is inevitable. I am confident that we can develop the policies necessary to ensure that Canadians have a choice as to where they wish to live. Many do not wish to be crowded with hundreds of thousands of other people into a city atmosphere.

In the United States a Gallup Poll taken in January 1969 revealed that only 18% of the population really wished to live in a city. The problem is that often people are compelled for economic reasons to live in one.

In Canada we have the opportunity to create for our people the greatest variety of living environments. I stressed that this should be the prime objective of the new Urban Affairs Department rather than merely to serve as a source of aid to the cities.

I would be pleased to send a copy of the speech as reported in Hansard to anyone who wishes more than the outline given above. You may address any inquiries to me at, House of Commons, Ottawa, Canada.

Important Meeting Try to Attend

An important meeting of town residents is scheduled for next Thursday evening, November 4, in St. Anthony's School and every person with any interest in the future of their community should make an attempt to be present.

For several months the subject of a new airport has been talked in town. Unfortunately much of it uninformed. The meeting is your opportunity to hear and assess facts and weigh the possibilities of the future against today's investment.

The benefits of industrialization are already known -- help with the tax load, jobs, more business -- and this is important to many people in the community. It has another side however, and others are not interested in the community becoming increasingly industrialized. Many have chosen and prefer life in the rural community atmosphere. Their voices should also be heard.

Town Council will soon be making a final decision on the matter. As representatives of the people, the feeling expressed at the meeting, will undoubtedly influence individual councillors. Try to be present and learn the facts, then express your opinion.

A small boy debunked this talk about a painless dentist in his neighborhood. "He's not painless at all," said the youngster. "He put his finger in my mouth and I bit it and yelled just like anybody else."

Dear Sir:

For over 100 years our furbearing animals have been suffering a slow, painful death from injuries, starvation and freezing on our traplines right across Canada.

In Alberta the steel leg-hold trap is still in use, causing agony to thousands of furbearing wildlife.

The Canadian Association for Humane Trapping, Box 9, Site 13, R.R. 2 Calgary 2, recommends the use of more merciful traps, that kill the trapped animal instantly. Will a change come about?

Edmonton Church Setting For Pretty Fall Ceremony

St. Thomas Aquinas Church, Edmonton, was the scene of a pretty wedding on Saturday, October 3rd when Miss Madeleine Chalifoux, daughter of Mr. and Mrs. Leo Chalifoux of Edmonton became the bride of Mr. Alfred H. Comeau of Edmonton, son of Mr. and Mrs. George Comeau of Drayton Valley. Officiating were Rev. Thomas Bilodeau, Rev. Jean Fortier and Rev. Raymond Sevigny. Miss Cecile St. Pierre played the wedding music and Mrs. G. Farly sang a solo.

Given in marriage by her father the bride looked lovely in a gown of white lagote styled with an empire waistline, high neckline and puffed sleeves which had wide cuffs with wide lace trim. The wide lace was also featured at the neckline and down the front of the dress. A six foot train fell from the back of the dress. The short 3-tiered veil was held in place by a headpiece of stephanotys. She carried a bouquet of yellow roses and white stephanotys.

The bride was attended by Stella Chalifoux, Laurianne Collins and Lucille Comeau. They wore identical gowns in an empire-waisted style of aqua colored material complimented by long white gloves and shoes, white flower headpieces and bouquets of white mums. Miss Valerie Bilodeau was flower girl.

Jim Ferraro of Edmonton was best man and Noel Nadeau and Tom Booker ushered the guests. Master Gerald Chalifoux was the ring bearer.

The bride's mother wore a mauve fitted, long-sleeved dress with beaded accents around the neckline and down the front. The groom's mother chose a navy

blue fitted dress with three-quarter length sleeves and rhinestone pin placed at the waist.

Following the wedding a reception was held at the Morinville Recreation Centre where the bride's table was centered by a 4-tiered round wedding cake decorated with yellow decorations

and flowers on top.

For her honeymoon the bride changed into a white jumpsuit with a baby-blue vest and gardenia corsage. Following their trip to Jasper, Banff, Spokane and northern states, the couple will make their home in Edmonton.

Airport Proposal Subject for Public Meeting

Your attention is drawn to the advertisement in this issue of a public meeting to be held concerning industrial development for Drayton Valley. Specifically, it is an informative meeting of the details of the proposed industrial airport. Your attendance is requested.

One question that has been raised is "Why should Drayton Valley get involved with a new form of industry. The oil industry is quite satisfactory."

Industrial development of any sort is based on a series of general principles. Most interest at this time is in the area of economic benefits to the town. There are three direct benefits to the community.

TAXES
If at any time the cost of town business can be spread over more taxpayers, the cost to any one tax payer must be less. If that taxpayer is an individual or family man, room has to be made in the schools and hospitals which raises the base tax burden proportionally. If the taxpayer is an industry, no such requirements for services is made, yet the industry shares the cost of those services.

Since taxes are based on assessed value, industry is a welcome source of revenue simply because the value of an industrial plant is very often greater than the value of the most expensive residence in town.

Expanding industry creates a further expansion. Every industry that moves to the community reduces the tax burden by its share of the cost. Industry's demand for employees and other services draws more people to the community which further reduces the tax burden through their sharing of the cost. As a case in point, compare the services offered by the town of Drayton Valley and our mill rate to support those

services, with the city of Edmonton and its services and its mill rate.

JOBS
Unless there are jobs for every high school student in our own community, we are forced into exporting our most valuable product; our educated youth. We need to keep this resource with all its creativity, initiative, vitality, to nourish our town. Every industry that comes to Drayton Valley provides the opportunity for our young people to get established at home. Further than that the expanded job opportunities provide any man a chance to change his occupation, if by doing so, he can improve his standard of living and his level of competence.

PAYROLL
Every dollar that comes into a community is circulated from person to person with a net effect of improving each individual's standard of living. For example a dollar accruing from a barrel of oil goes to an oil employee who may pass it on as payment to a service station operator. The operator may buy a hardware item. The business man may use the same dollar to buy groceries and so on. The fact that each businessman has more dollars to work with means he can add more services or items for sale or up-grade his facilities which eventually means the originator of that dollar, the oil employer, has a better place to live and to do his business. In the final analysis the dollar now benefits every resident of the community because it results in additional goods and services and a livelier cleaner town in which to live.

Closely related to payroll dollars are those dollars that come to us from the increased trading area. Every time we can offer a better service than our competitors we increase our trading area.

An industry lends itself to this healthy growth because generally the trading area is not increased at the expense of the neighboring towns but rather from areas farther removed.

Industrial development is a

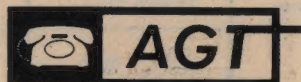

good thing for Canada. The Province of Alberta believes in development (Note the changes in the province since Leduc in 1947) it is essential to Calgary and Edmonton and those cities concentrate their efforts to the

extent the smaller towns cry out for a piece of the action. Drayton Valley now has the opportunity to broaden its economic base. Your opinion is required to enable your town council to act in accordance with your wishes.

Meeting Organizes Community Band

On October 8th, a meeting was held in the Town Hall to or-ganize a Community Band. Much enthusiasm was shown by the good attendance of persons inter-ested in promoting this idea to the young people in our town and surrounding area.

A committee was formed with Mr. Alfred Lepp as President; Mrs. Mary Poloway as Secretary-Treasurer; Mr. Ken Wardlow, Mr. Glenn Swanlund and Mr. Joe Guduz as Committee Members.

The main topic of our discus-sion was to develop and give the opportunity to our young peo-

ple to play or learn to play an instrument of their choice to form a Community Band. Mem-bers of the previous Drayton Val-ley Town Band and other inter-ested persons have given their support with this endeavor.

A wealth of information is av-ailable from the Cultural Branch of Alberta. There are a few in-struments on hand from the pre-vious band.

Any students or young adults who are interested in the Band, phone A. Lepp at 542-4093 or M. Poloway at 542-3676 for further information.

time.

If a subject comes up you are not interested in you are not ob-ligated to come, but it could still prove to be an enjoyable af-ternoon out with friends. Every-one is welcome.

Lindale Swine Club Holds Achievement Day, Banquet

Members of the Lindale 4-H Swine Club held their annual achievement day followed by a banquet and presentation of awards in the Lindale School on Saturday.

The Achievement Day started at 11:00 a.m. on the farm of Club Leader Mr. Tom Martin. Judging the animals was Mr. Doug Maschmeyer of Bruderheim, a well-known Alberta swine breeder.

The Lindale Club, founded 16 years ago by Mr. Harry Tweedle, who was present for the awards banquet, is one of only two such clubs still left in Alberta. The other is at Camrose.

Presentation of awards was by Club Leader Tom Martin and Assistant Leader Dennis Martin.

First awards were for the Spring Achievement day and in the junior category went to Don Shipton, 1st and Patsy Robb, 2nd. In the senior section Lynne Martin was 1st and Leslie Horsman, 2nd.

Awards for Saturday's Achievement day were as follows:

Junior Champion Gilt: 1st Grant Law; 2nd Patsy Robb; 3rd Don Shipton; and 4th Mymitta

Cropley.

Senior Champion Gilt: 1st Les Horsman; 2nd Shann Bowen; 3rd Lynne Martin; and 4th Nancy Bijou.

Showmanship: 1st Lynne Martin; 2nd Les Horsman; 3rd Heather Robb; and 4th Patsy Robb.

Judging: 1st Nancy Bijou; 2nd Lynne Martin; 3rd Reno Martin; and 4th Roger Martin.

A hog holder for the use of the club was presented to Leader Tom Martin by the guest speaker, Mr. Rick Andrews, Regional 4-H Specialist with the Provincial Department of Youth.

Master of Ceremonies for the banquet was Reno Martin and Nancy Bijou introduced the guest speaker, on the topic of "Canada is a Pony Country."

The title of Mr. Andrews' talk came from the story of a little boy, a real optimist, who when discovered digging excitedly in a pile of manure said, "With all this manure around, there must be a pony hidden in there somewhere."

Mr. Andrews stressed the problems to be overcome in reaching life's goals. Apathy and mistrust

he said, are the enemies of progress, adding that enthusiasm and endeavor will help you reach your goal.

"Keep digging," he told the boys and girls, "and you'll find your pony."

The evening ended with dancing.

The reorganization meeting of the club is scheduled for November 5th. Mr. Martin pointed out that new members are always welcome and all interested were invited to attend the meeting.

Before you spend over \$4500 on a car

think twice

Datsun 1600 isn't long like a big car, but it's big inside where it counts.

It doesn't have all sorts of optional extras, because everything on it but a 3-speed automatic transmission and a radio is standard equipment. Like carpet, flow-through ventilation, front disc brakes, bucket seats, whitewalls and textured vinyl upholstery.

More important, a Datsun 1600 will go

anywhere a big car will go and a lot of places a big car can't. And on the way there, it will give you up to thirty-five miles for a gallon of gas and around 100,000 miles between major overhauls.

For around \$4500 you get twin 2-door 1600's. Or a wagon and a 2-door. Or two 4-doors. Or just one Datsun and a bundle for your bank. No matter which way you do it you win, when you think about it.

Not too long ago the average consumer avoided Japanese products because they had a bad reputation for inferior quality. Today the buying habits of these buyers has taken a complete turn-around. Not only do they eagerly purchase Japanese goods but they also appear to credit them with the ability to manufacture nothing but class A merchandise. The word appears to be "If it's Japanese, buy it!"

Presently the Nissan/Datsun corp. is riding at the crest of this wave of popularity. Their sales in both divisions (cars and trucks) are increasing at a rate faster than any of their competitors. As we pointed out last month their performance in the import cars, if it continues at the present rate, will soon elevate Datsun to the number One position.

Unfortunately Polk's June registration figures for domestic passenger vehicles continue to follow the same negative trend. Only three cars managed to cross over into the positive zone, these being Valiant, Maverick and Corvette.

Tomahawk F.W.U.A. Plans Help for O.O.R.P. Home Fund

The Tomahawk F.W.U.A. held its first fall meeting on Thursday, October 15th at the home of Marion Jouan with 12 members and 5 guests present.

Roll call this month was "how much does your family know about drugs?" We had some very interesting answers. It's a topic we all decided needs more knowledgeable information.

Everyone finished contributing to the Pennies for Friendship and a total of \$11.80 was realized. The Ball Tournament which

was held in Tomahawk the first part of August was quite a success food wise as we cleared \$238.00. This was turned over to the Community Club and is to be used for sports.

We donated \$25.00 to the Mental Health Association which will help send some mentally ill person to a summer camp next year.

A total of \$2.21 was taken in at our birthday raffle and Jane Zander was the lucky winner this month.

A few other minor topics came up but they were tabled until the November meeting.

Elmer Zander gave a most interesting report on his trip to Gold Eye Camp this summer. This is a camp for farm children The F.W.U.A. sponsored Elmer. He reported he had a very good time and learnt many new things. The only drawback he reported was the lack of sleep, but with 5 or more boys to a cabin you can soon see or should I say "hear" the reason.

Evelyn Lukniuk was also present and she informed us on the Mothers Day Out program which is being sponsored this winter. Any women is invited to attend to hear a number of different topics discussed. Pre-school children will be looked after for 25 cents each or not more than 50 cents. Some of these topics could be wig buying and care, cake decorating or sewing. Any one who is interested is asked to get in touch with Evelyn Lukniuk.

We were very pleased to have Bert Simon, Gladys McMorris and Norma Wall as guests. These women are members of the order of Royal Purple from Drayton Valley and they were present to tell us about the Purple Pansy Senior Citizens Home that is planned for Drayton Valley. As this will in years to come be where many of our Senior Citizens may wish to retire to, the Tomahawk F.W.U.A. are trying to raise money from our area to be donated to this worthwhile cause.

Every year we spend many dollars on Christmas cards and stamps. It was suggested by one of our members, Dora Millenbacker, that we buy a page from the Drayton Valley Western Review and put a Christmas greeting in with our names underneath. This was later extended and we now are going to canvass the Tomahawk and district with the hope that people will donate to this. Your name will then be entered with the rest on our Giant Christmas Card Page and everyone will know of your generosity. The money received will all be turned over to the Purple Pansy Home. Let's hope we can get the name of every family in our community on the page.

We were told that how they decided on the particular name of Purple Pansy is that the Purple Pansy is the floral emblem of the Order of Royal Purple.

The evening ended with a delicious lunch served by the co-hostess Olive Case and Jane Enjenski.

Our November meeting will be held on the evening of November 5th at the Recreational Building in Tomahawk.

Oil Wives Dress for Hallowe'en Party

The October meeting of Oil Wives was held in the Cardium Room on October 19th with 64 members and 12 guests.

Most members were in costume but the ones that didn't were fined 25 cents and they had to duck for apples.

Our program chairman Glenda Matlock filled our evening with fun and games.

We started out by having our thumbs and first finger taped together and tried to eat our roast beef supper. Some of the games we played were card shuffling contest, blowing a dollar out a bowl of flour, scavenger hunt, orange peeling contest and other fun.

We ended the evening with a parade of costumes.

Prizes were given to Jeanette Miner, most original; Donna Franklin, funniest; Gale Mc-

Pherson and Maxine Meaver, Spookiest, and Lil Ross and Eunice Lyle, most talented.

The business meeting was chaired by our 2nd vice president Mary Barker as President Donna Gawalko and first vice president Carol Lawrence were attending our annual convention in Sherwood Park.

We are happy to announce that Kay Meraw was re-elected as a Board Member.

Next year's convention will be held in Estevan, Saskatchewan.

The next executive meeting will be held at Mary Barker's. Anyone may attend. Our regular November meeting will include a mock olympics so please wear slacks.

People who are too wrapped up in themselves usually come in small packages.

Returns From African Safari

A life-long ambition was realized by Mr. Wayne Jones of Drayton Valley who returned recently from a month's safari in Africa.

Mr. Jones flew to Zambia and spent 20 days hunting and was successful in bagging 18 game animals that included lion, leopard, elephant and cape buffalo. The horns and capes of his trophies are following him home.

All the meat from animals shot is put to use by the native people. Municipal governments in the area have representatives in each hunting camp to arrange for the handling of meat from game animals shot.

Mr. Jones's safari, with himself as the only guest, was headed by a professional hunter and a group of about ten native trackers, drivers and camp helpers.

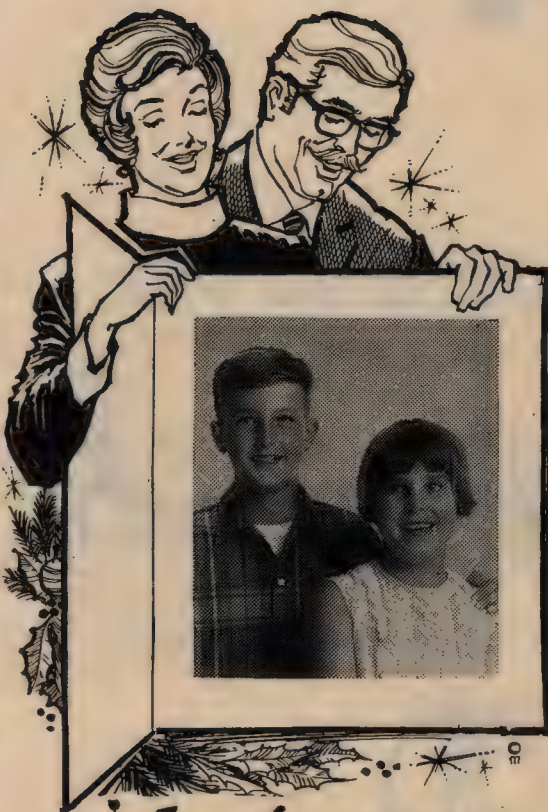

THANK YOU

I would at this time like to express my sincere thanks to all the electors that took time out from their busy schedule to vote for me on October 14th. Also a thank you goes out to all the friends that phoned and offered their congratulations and expressed their confidences.

I look forward to serving this community for my term as Councillor for 1970-71.

Little Korean Girl Adopted by Couple

Howie and Grace Janzen, of Drayton Valley, have financially "adopted" Han Kil Hun, a little girl who lives in the slums of Pusan, in Korea.

The Foster Parent's responsibility is financial, not legal and the child grows up within his own family. The objective is to help the child and family become self-supporting through improved health, nutrition, and educational opportunities.

More than 11,000 children in ten of the world's developing countries now are being cared for through Foster Parents Plan by individuals and groups in Canada. They exchange letters with the children each month, receiving both the original and translations supplied by PLAN.

The \$17 a month (or \$204 a year) contributed by the Foster Parent through PLAN for a minimum of one year, provides a monthly cash grant, supplementary new clothing and household goods carefully selected to meet the needs in each area. In addition, PLAN offers medical care when called for, primary school education and in some cases vocational training.

In their monthly letters, the children share their sorrows and joys with their second Parents. They are touchingly eager to do well for their Foster Parents' sake, but like children all over the world they are not always successful. One Hong Kong youngster ruefully confessed: "But I have hardships on arithmetic, geography, grammar, and history."

The arrival of Foster Parent's letters photographs and postcards, and of course, gift packages are a cause for rejoicing -- both letters and gifts shown proudly to all the neighbours, teachers and classmates. The letters are read and re-read until they are dog-eared. A little Korean girl wrote "I had your gift parcel with your warm thought. I held it in my arms and danced."

The variety of Foster Parents is surprising -- both individuals and groups. They range from school groups to military messes, from the Pearsons, the Stanfields, and the Diefenbakers to a mother with a brood of her own, or to a young couple anxious to share their happiness.

The Foster Parents Plan program has been working since 1937 and has graduated more than 110,000 Foster Children thanks to more than 500,000 Canadian and United States Foster Parents, including groups.

Currently, programs are being operated in Korea, the Philippines, Viet Nam, Indonesia, Brazil, Colombia, Ecuador, Peru, and Bolivia.

Han Kil Hun

Children of all faiths are assisted because PLAN is a non-sectarian, non-profit, non-propaganda, independent, government approved organization. Thousands more children are in desperate need, and may be chosen by age, sex and country. Information can be obtained by writing Foster Parents Plan of Canada, 153 St. Clair Ave., West, Toronto.

Wild Game Cooking to be Demonstrated

An interesting and entertaining evening is in store for Drayton Valley and district residents on Wednesday November 4th. At 8:00 p.m. in the Scout Hall, on that evening, you are invited to see the cooking of many types of wild game, demonstrated by home economists from Northwestern Utilities Ltd. The evening is sponsored by the Local Association, Girl Guides of Canada and all proceeds will go to support that organization. All food will be given away during the evening, so the admission price of one dollar may also win a delicious prize for you.

Tickets will be available at the door or may be obtained from the Local Association executives. For further information phone Shirley Machan at 542-3856.

WABAMUN NEWS

Our sympathy goes out to Mr. and Mrs. William Foster in the loss of their son Frank who passed away on October 13th at the age of 47 years. Frank will be remembered by a good many people of Wabamun and district.

Mr. and Mrs. Fred Woollard visited their son and daughter-in-law Dr. and Mrs. Robert Woollard of Lamont, Alberta recently.

Congratulations go to Mr. and Mrs. James Wilson (nee Marion Kause) who were married on October 10th. We wish them the best.

The Wabamun Cubs visited the County office in Stony Plain and enjoyed it very much. They wish to thank Mr. Boychuk for showing them around and making the arrangements for them. They also visited the Reporter office and the fire hall and the police station.

Mr. and Mrs. Grant Woollard of Edmonton and Mr. and Mrs. Becker of Medicine Hat were visitors at the E.H. Woollard home recently.

We are sorry to hear that Mrs. G. Hancock is in the hospital in Stony Plain. We hope you will soon be home Margaret.

Visitors at the D.M. Roberts home over the weekend were Mr. C. Roberts and Mr. J. Sutton of Star City, Saskatchewan and Mr. and Mrs. M. Roberts of Prince George, B.C.

Mrs. Robert Woollard is back home after attending the funeral of her father in North Carolina, U.S.A. Our sympathy goes out to Dr. and Mrs. R. Woollard at this time.

The Wabamun W.L. Meeting was held at the home of Mrs. E.H. Woollard on Wednesday, October 14th with 8 members and one visitor present. A paper on Citizenship was read and then a questionnaire was held on it, this proved to be interesting to all. Plans were started for the Senior Citizens' Christmas Party to be held in December. Plans were made for raffling the quilt at this party.

The tour that was to have been last month has been cancelled for this year. Tea was then

served by Mrs. E.H. Woollard and her co-hostess Mrs. L. Anderson. Mrs. R.T. Ward was the winner of the tea prize.

Mr. and Mrs. Roberts spent the Thanksgiving weekend with their daughter and son-in-law, Mr. and Mrs. D. D. McCullough of Edmonton.

A spy was being led to his execution by a squad of soldiers on a cold rainy morning.

"You soldiers are barbaric," the spy grumbled, "to make me march through the cold and rain like this."

"Quit squawking," snapped one of the troopers, "we've got to walk back."

"Good news makes happy homes ... bad news makes the headlines."

It is sad but true. A man loses his sight because he neglects to wear his safety glasses. A child loses his precious sight because proper attention is not immediately taken. Everyday heartbroken stories such as this reach the news. But what about after the accident -- the quiet picking up of the pieces. What about the child whose sight is helped through immediate attention. Last year 1792 fine persons in Alberta (927 in Northern Alberta) received meaningful services made available to them by the Canadian National Institute for the Blind. Two hundred and twenty-eight persons were assisted by eye examinations. Seventy two persons were assisted in the purchase of glasses and artificial eyes. Eleven persons were assisted in transportation for necessary eye care.

Everyday in our community, "Good News is Made."

The best way you can help is by making "Happy Homes through Good News." On Tuesday November 3rd, the Drayton Valley Lions will be canvassing for the CNIB. Give generously.

Rocky Rams Butt Rebels

The Rocky Mountain House Rams poured in 11 goals to the Rebels 5, to give the Rebels their first defeat in an exhibition hockey game last Sunday afternoon.

The Rams lead by a 3 goal performance by Basilie and Hartwell. The point leader for the Rebels was Barry Ness with 2 goals and 2 assists. Sam Belcourt tallied 2 goals and Henry Hodgson 1, assists were picked up by Gary Hack, Eddie Hutzal, Wayne Garding, Gary Chechnita and Sam Belcourt.

A fairly hard hitting game was played, for the first game of the season. Only 5 minor penalties were handed out by Refs Ken Machan and Lyle McGinn.

The Rebels got off to a bad start missing Belcourt, Chechnita, and Hodgson for the first period. All delayed by bad weather conditions. Doug Hall who is out with injuries, Frank Novasel had to be in Edmonton, and Barry Pankewicz who had to work handicapped the Rebels. The Rebels found themselves down 4 to 1 at the end of the first period.

Belcourt scored a goal at 1:26 of the second period assisted by Wayne Garding and Barry Ness to make the score 4 to 2. But the Rams came back quickly at 3:13 with a goal by Humbke. At 5:17 Henry Hodgson scored for the Rebels to make the score 5 to 3. The Rams scored 2 unanswered goals from Hartwell at 8:00 and 16:28. While Dayle was serving a 2 minute penalty for hooking, Belcourt scored his second goal assisted by Ness at 19:43. The second period ends

Rams 7 -- Rebels 4.

The third period saw the Rams score 4 goals to the Rebels 1. Barry Ness assisted by Belcourt scored the only Rebel goal in the third period at 11:26.

The Rebels had several chances in the second and third periods to pull the game out of the fire but with bad shooting by the Rebels and good goal tending by the Rams, the Rebels didn't succeed.

The Rebels were only able to score 4 goals to the Rams 7 in the last two periods. Drayton Valley outshot Rocky Mountain House 26 to 18 in the last two periods. Total shots on the goal, Rebels 39, Rams 30.

All Saints' Church Setting for Ceremony

All Saints Anglican Church was the scene of a pretty wedding on Saturday, October 10, when Kenneth, third son of Mr. and Mrs. Karl Wahl of Medicine Hat and Crystal, granddaughter of Mrs. Walter Durham and the late Mr. Durham were united in marriage. The Reverend Bert McQuaid performed the double-ring ceremony. The groom's aunt, Mrs. Eddie Gruber played the organ. Ushers were Mr. Arthur Durham and Mr. Neil Morris.

The bride was given in marriage by her father, Mr. Milton Durham, of Edmonton. Her floor length gown of white taffeta featured lily point sleeves and a wide skirt layered in lacy net. Seed pearls and borealis sequins were embroidered on both the dress and the layered veil. She carried a bouquet of red roses.

Mrs. Rod Hayley, the bride's older sister was Matron of Honor. Miss Rhonda McQuaid was bridesmaid and little Miss Bonnie Dur-

ham was flower girl. The entire party wore identical floor length peach satin gowns trimmed with lace. They carried Colonial bouquets of white roses adorned with autumn foliage. The groom was attended by his brothers, John and William Wahl.

For her granddaughter's wedding Mrs. Durham chose a smart black sheer frock ornamented by a corsage of white and pink roses. The groom's mother was becomingly dressed in a beige and brown ensemble with matching hat and accessories including a corsage of yellow roses.

Following the ceremony, a reception was held at Mrs. Walter Durham's home for relatives and close friends. Out of town guests were Mr. and Mrs. Wahl and Kenneth's grandmother Mrs. Wahl Sr., all from Medicine Hat. Mr. and Mrs. Milton Durham of Edmonton, also attended. Other relatives and visitors were from various parts of Alberta.

Mr. and Mrs. Wahl will make their home in Drayton Valley.

JUNIOR HIGH SCHOOL NEWS

This will be the first of weekly submissions to the Western Review from the Drayton Valley Junior High School. It is our intention, through the medium of this column, to acquaint the parents and public with the school staff and to make known some of the activities that take place at our school.

Our enrolment has increased considerably again this year. We now have over 450 students in the Junior High School. This increase has necessitated an increase in our staff as well as an addition of two more portable classrooms to house the classes.

Six new teachers have been placed on our staff this year. Three are replacing staff who retired or were promoted and three are additional staff for our increased enrolment. Teachers new on our staff are: Mr. Tom Hutton, Vice-Principal, Mr. Ernest Smith, Mrs. Nancy Hansen, Miss Sylvia Erickson, Mr. Alex Sawchyn and Mr. Roger Smeland. Teachers still doing their thing in our school are: Mr. Paul Bradley, Mr. Barry Richer, Principal, Mrs. Bessie Henkel, Mr. Dave Harrison, Mrs. Jenny Harris, Mr. Joe Gudz, Mrs. Emily Letwinuk, Mrs. Gladys Blair, Mrs. Eunice Lyle, Miss Margaret Whitehead, Mrs. Joyce Huska, and Mr. Nigel Oakes.

We will be telling you more about our staff in the coming issues but at this time we would like to emphasize our desire to get to know the parents of our pupils much better.

The teachers and students would like to take this opportu-

ity to thank the great number of people who supported the Students Union fund raising campaign this fall (magazine campaign). Your generous support again this fall has provided the students in our school with a budget from which they will carry on their worthwhile activities throughout the year. (More about these activities in later issues.)

A cordial invitation is extended to parents and all who are interested to attend our annual Awards Night which is being held at our school on Wednesday, November 4th at 8:00 p.m. We look forward to meeting you at that time.

F.G.A. Plans Game Supper

The Pembina Oilfield Fish and Game Association is making plans for another game supper this winter following the tremendous success of the first venture of this type last year.

To obtain the necessary meat, the association is seeking the help of club members who would be willing to contribute towards the success of the event. It is important to get commitments at this time before animals are butchered as larger roasts are required than what would normally be cut for family use.

Members who would like to help are asked to contact George Hart at 542-4102.

Mrs. Krabbe Addresses A.C.W.

The Anglican Church Women welcomed their guest speaker, Mrs. Lees Krabbe, at their meeting on Tuesday, October 13th. Mrs. Krabbe's gracious and simple exposition of the theme "The Light of the World" was appreciated by all present, and Mrs. E. Williams thanked Mrs. Krabbe for her kindness on behalf of the ladies.

Mrs. Mary Ibbotson's report on the work of the Christian Social Action Group stimulated a thoughtful and sympathetic discussion. Disappointment was expressed at the lack of support by the Anglican ladies, as well as other Church groups in Drayton Valley. Church people are increasingly involved with social, recreational and cultural activities so that there is little time or incentive for Christian social involvement in the community. Social problems are increasing, and the lack of concern makes it difficult for the few who are attempting to make some impact on the needs of society.

Mothers Hold Annual Sale

The Cub and Scout Mother's Auxiliary held its Bake Sale and Skate Exchange on Saturday, October 17th. The organization would like to thank the mothers of Cubs and Scouts who helped us with the Bake Sale. Special thanks to Maureen Schwab, Laura Barker, Martha Johnson and daughter Wanda, Ray and Judene Anderson for their help; they have no boys in either Cubs or Scouts. Thanks to Les Brown for helping the women with the Skate table and thanks to Charlie Miner for getting Scouts, Dwight

Smith, Doug Cathrea and Brent Innis to help with skates etc. We would also like to thank the Anglican Women for the use of their coffee urn.

The Ceramics Cat, floor ornament made by Della Duperron was drawn by five year old Elaine Bowan and Janice Brown was the lucky winner.

Edna Snider has taken over as our new Secretary-Treasurer for this year. Many thanks to Laura Barker for all her help the past two years.
